

Blue Sky Cup 2016

Welcome to BSCFIVE! The coveted Blue Sky Cup is awarded to the team that earns the most points while completing the required tasks. Points are awarded for achieved vertical feet in addition to select challenges.

Team captains will be given a scorecard. As the team completes challenges, captains will mark the card and turn it in at the end of the day. The rules committee will vet the vertical feet via the EpicMix app and check photos and videos are required.

The more video and photos the better! Remaining tasks can be completed via the honor system.

Rules:

1. Minimum of 4 people on each team and the winning team must be in costume.
2. Must start and end with entire group.
3. Teams may start on either Chair 8 or the Eagle Bahn, however, after the first lift teams are prohibited from riding the Eagle Bahn until after 3pm.
4. Each team must ski a minimum of 15 different lifts, including all four Blue Sky Lifts.
5. All teams need to board the last Eagle Bahn by 4pm and meet at Eagle's Nest for a group photo. Afterwards all Blue Sky Cup participants will ski down together.
6. Each team member must ski a minimum of 40,000 vertical feet. 100 points are earned for every 1000ft above 40,000ft.
7. EpicMix Racing (Black Forest Race off Chair 2). Each team member is required to race! The team will receive points based on total individual medals earned. Set up your EpicMix app in advance to track your race. You can pay with resort charge if you have it, otherwise bring \$7 cash per racer. Advice: if you have team members without EpicMix send them first and listen for the medal announcement. Anyone with the EpicMix app can look up the results so you don't need to stand around and wait.
 - a. Gold – 250 points
 - b. Silver – 100 points
 - c. Bronze – 0 points
 - d. Racer – lose 100 points
